Distributor Testimonials

Alison and Mark Bird

“ After we were both made redundant we needed to earn extra money quickly and turned to Kleeneze to provide the solution. It's the best decision we've ever made. We have a ten year old son and, having both worked up to 60 hours a week away from home during his early childhood, we are so pleased that we can work from home and spend quality time together as a family while we watch our business grow. ”

Phil Lowe and Helen Kolbusz

“ Helen and I are full-time students and are fairly short on money, as most full-time students are! We started Kleeneze when a slip was posted through our door explaining how you can earn extra cash from delivering and collecting catalogues. We were given great training and support from Fay and Andrew, who introduced us into Kleeneze, and are now so happy with our business that we will carry it on as a full-time business when we graduate. ”

Jay Singh

“ Having studied for many years to qualify as a Chartered Accountant, I know what it's like to work hard for a good income. When I joined Kleeneze and saw the incomes and lifestyles being enjoyed by some of the people who have now become good friends, I realised that at least with Kleeneze you can work hard for a while then enjoy an ever-increasing income which isn't available in a regular 9-to-5 job. ”

Gavin Scott and Bonnie Arapes

“ I joined Kleeneze in 1992. I'd left school at the age of 16 with just a few basic qualifications and no idea what I wanted to do in life. I ended up following my father's footsteps into the Tyneside shipyards. However, it was just a wage, not a living and I wanted something better. So, when someone sent me an information pack about Kleeneze, I was immediately intrigued. My business now has a multi-million pound turnover. Anyone can join this business and make money from day one. With all the training and support that's available, you can make the same money as me. You need no skill whatsoever; the training we use is really about teaching people skills and industry knowledge.

I do not see myself as successful yet, as I know how big Kleeneze will get; success is different to lots of people, and I have a long way to go yet. ”

Take the Kleeneze Option and re-design your Life!

In today's economic climate, the effects of the recession have definitively put an end to the term 'job security'.

As unemployment levels reach new heights, a new era of redundancies, pay cuts and pay freezes have arrived. If you have suffered redundancy, particularly if you are over 40, you may know how difficult this can be. If you've not been affected, chances are you are still dissatisfied with your level of income, especially in relation to your free time.

Make a clean start and become your own boss.

Kleeneze offers you the chance to be your own boss, eliminating many of your day-to-day work worries by giving you the opportunity to create your own lifestyle. This means more time to spend with your family or whatever you choose!

Although you'll be in business for yourself, you'll **NEVER** be by yourself.

How do I earn money?

The Kleeneze Sales Plan is a very simple system, a system which works by virtue of the very exciting incomes already being paid.

Stage 1 - You

For example, if you were to deliver and collect back 200 catalogues twice per week, and generate just £250 in orders per week, £1000 over a Kleeneze 4 week sales period, and earn **£274** (£211 retail profit and £64 volume profit). But you can retail as much as you like - you decide! How many hours you work or the number of catalogues you distribute is up to you.

It makes sense to grow your business by retailing and sponsoring (introducing other people).

Stage 2 - You & Your Team

If over a period of time you were to introduce 10 other people who did the same, this would earn you approximately **£1,260** and you would rise to the level of **GOLD DISTRIBUTOR**.

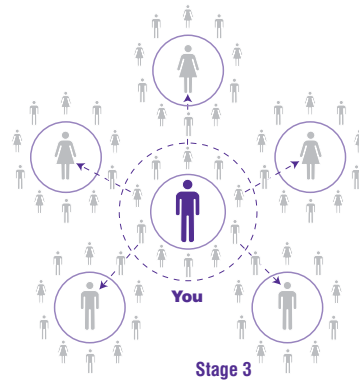

Stage 3 - You & Your Teams

Then, simply show 5 of your Distributors how to do stage 2 and maintain stage 2 yourself.

This means you will have achieved **SENIOR EXECUTIVE DISTRIBUTOR** status.

THIS IS AN ESTIMATED ANNUAL INCOME OF OTE £50,000 (Based on average earnings)

Statutory Wealth Warning: It is illegal for any promoter or participant in a trading scheme to persuade anyone to make payment by promising benefits from getting others to join a scheme. Do not be misled by claims that high earnings are easily achieved.
